**What is CUE?**

It is a ball-back guitar body which was created especially for Ibanez Drexel Electric Acoustic Guitar with the following characteristics:

**C**ontemporary styled deep to shallow angular FRP body.

**U**nlimited resonance through new molded bracing system.

**E**xclusive bolt-on neck for tuning stability and strength.

In short, Drexel represents the absolute latest in technology and design.

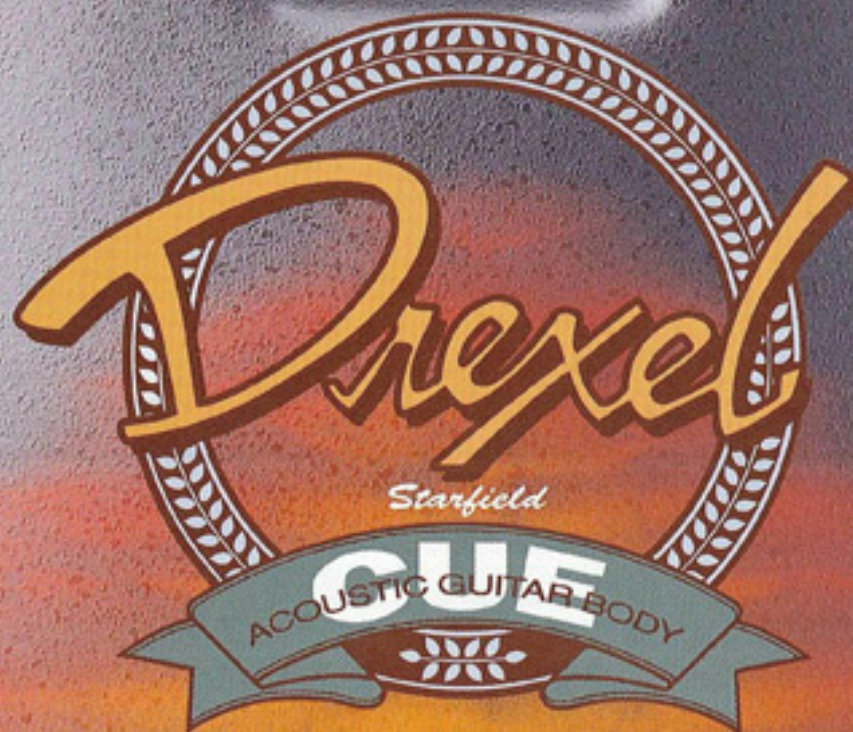

**SD24E**

**SD24GQE 3S**  
(3-Tone Sunburst)

EQ System (Volume, Bass, Middle, Treble and Battery Check) mounted on -E model

Introducing SD20, SD22 and SD24. These models offer the finest gravure finished body tops available today. SD20 consists of two lines; acoustic with bird's eye maple gravure finish and acoustic-electric guitar with hard maple gravure finish. SD22 features pearl highlights on a bird's eye maple gravure finish or a flame maple gravure finish. Our premium model SD24 offers a superb quilted maple gravure finish both on top and back. For SD20 or SD22's finish you can choose from an assortment of additional excellent gravure finishes. There's a lot of ways to go with Drexel; and they're all good. Try Drexel-you'll like it.
